

## Advertising Homework Project

Date assigned: \_\_\_\_\_

Date due: \_\_\_\_\_

Design an advertisement for a new product you invented and want to sell to the public. The advertisement must use only four (4) sentences: a question, a command, an exclamatory, and a statement. The sentences can be written in any order. Complete the four-sentence product advertising and attach to an empty bottle, box, or can to make it look like a real product.

Remember to be neat and make it colorful and attractive.

Here is an example:
